Public Visible on your organization's profile on the CDP website.	-	-	-
	This score is private.	Your response was not scored. Why not?	Your response was not scored. Why not?

Category scores

Category scores are combined to produce your overall score. Some categories have a higher weighting than others to reflect their importance, which varies depending on your sector. Not all categories are relevant to every environmental issue. View scores guidance.

Water Pollution Management Procedures	-	-	-

Why don't I have a score?

There are a few possible reasons why your response was not scored. It may be that:

- The response was submitted after the scoring deadline, which was September 17, 2025.
- The response was submitted in a language we don't support.
- Your organization is based in a country that doesn't receive CDP scores, such as Russia or Belarus.

For more information, view scores guidance or contact CDP for support.
